QUICK REFERENCE GUIDE: REGISTRANTS WITH BOARD ACTION

Updated 7-17-2019

After an individual is registered as a medical marijuana patient or caregiver, that individual’s card maybe revoked, suspended or voluntarily relinquished. This document is intended to provide dispensaries and physicians with a method for identifying each status and the impact of that status.

SUSPENDED LICENSE

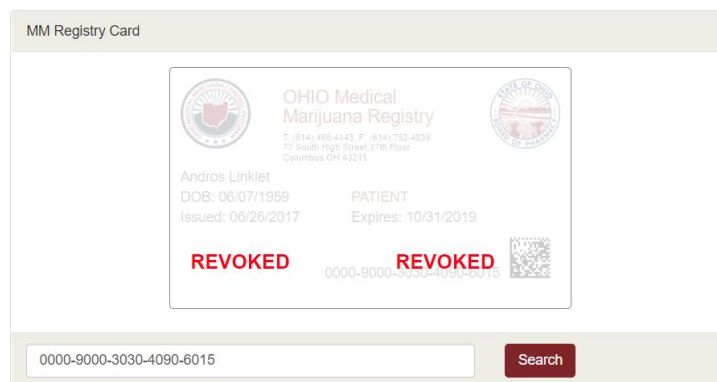

Once the Board of Pharmacy has suspended a registrant’s license, their Registry page will appear as the following:

Registrants with suspended registrations are not eligible to purchase medical marijuana.

REVOKED LICENSE

Once the Board of Pharmacy has revoked a registrant’s license, their Registry page will appear as the following:

Registrants with revoked registrations are not eligible to purchase medical marijuana.
