

OHIO MEDICAL MARIJUANA CONTROL PROGRAM

MANDATORY PRODUCT RECALL - 10/13/2021

Issued: 10/13/2021

TOPIC: Mandatory Product Recall

ISSUE: The Ohio Medical Marijuana Control Program (MMCP) is issuing a mandatory product recall on manufactured products sold to dispensaries by processor, Certified Cultivators, LLC. This recall is being initiated by the MMCP because the manufactured products did not receive the full battery of required testing prior to being sold at dispensaries. The recalled products were not tested for heavy metals, pesticides, residual solvents, and mycotoxins. The MMCP is investigating this matter and will issue an executive summary at the conclusion of the investigation.

No reports of adverse reactions for this product have been reported to the MMCP at this time.

Patients who have purchased the recalled product should stop using it. All unused product(s) should be returned to the dispensary where purchased. Returned products will not count toward a patient's possession limit. For more information on returns, please contact the dispensary where the product was purchased.

Anyone who thinks that they may be experiencing serious or life-threatening issues should seek immediate medical attention. Patients are reminded that any adverse reactions should be reported to the MMCP toll-free helpline (1-833-464-6627).
